FORE WORD

- 1966 -

During the last century, the swiftest mode of sea travel was by Clipper ship. The Clipper ships were magnificent vessels which were skillfully constructed under the supervision of master craftsmen. Every man took pride in the mounting of each board, mast, and deck, and their pride was justified at the sight of a ship which was now ready to embark on her maiden voyage.

We, the Seniors, compare our sojourn at Norton High School to the building and eventual sailing of a Clipper ship; each teacher has taken pride in placing another bit of knowledge before us, as did the craftsman in carefully placing each board in his ship. Now that we have completed our training at Norton High, we are embarking on our "maiden voyage" into life. We shall encounter storms and we may run aground, but we shall continue our voyage until we reach our destinations.

Dedication

"Music resembles poetry, in each are nameless graces which no method teaches and which a master hand alone can reach."

Alexander Pope

Six years ago when Mr. Frank Montesanti walked through the doors of Norton High School, he carried with him a world of music. Mr. Montesanti graduated in 1959 from the New England Conservatory with a Master's Degree in Music. After graduating, he received many offers to work with bands and orchestras all over the country, but he refused these offers for a career in teaching which he felt would be personally rewarding.

In these past six years, Mr. Montesanti has organized a band which now has sixty-five trained musicians. This band placed first runner-up in Class C at the Southeastern Massachusetts Music Festival.

With great pride, the Class of 1966 dedicates this Sojourn to Mr. Frank Montesanti.

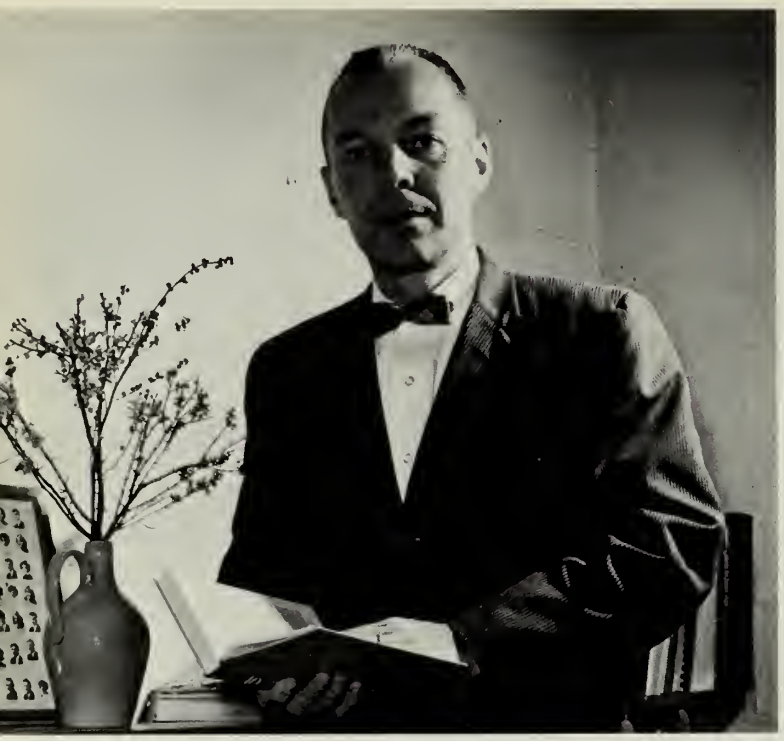
In Appreciation

"It is energy—the central element of which is will—that produces the miracles of enthusiasm in all ages. Everywhere it is the main-spring of what is called a force of character, and the sustaining power of all great action."
Samuel Smiles

We would sincerely like to extend our appreciation to Mrs. Jean Findlater, Director of Guidance at Norton High School. This year Mrs. Findlater retires after thirty-five years of service in the Norton School System. Her service will be remembered by all, especially those students who have been aided by the school scholarship fund which Mrs. Findlater instituted in 1953.

Mrs. Findlater is responsible for the founding of the Norton Chapter of the National Honor Society. Besides her many services as a Guidance Counselor, she served Norton High as a Latin and History teacher. Under her instruction, a number of students earned awards in National competitions.

We wish Mrs. Findlater the best of health and the best of wishes in her retirement.



Superintentent's Message

We shall build an enduring peace only through the superiority of our citizenry. You students of today are the citizens and builders of tomorrow. Our country looks to you to perpetuate the liberties and the ideals for which our young men fight today. Our job as teachers and your job as learners is to prepare for the responsibilities ahead. That job requires the extra unselfish effort demanded of all individuals working to win a lasting peace. You will build better and more durably than we who have preceded you. That is the American way; it will be your way.

George A. MacArthur,
Superintendent

Principal's Message

As you leave high school you will meet disappointments, hard work, and great changes in your life. I hope you meet them with the same fine spirit of giving and cooperation you have shown in your years at Norton High School.

Very best wishes to each of you for true happiness.

Henry A. Yelle,
Principal

Assistant Principal's Message

Life in a democracy is based largely on rights. In newspapers, on radio, and on television we read and hear constantly about voting rights, civil rights, and rights to work. What is seldom mentioned is the fact that along with rights come responsibilities. It is impossible to discuss a right that does not go hand in hand with a parallel responsibility.

As your ship of life is preparing to sail into the future, make sure that, as a part of your educational cargo, you carry this idea—PROTECTION OF RIGHTS COMES FROM THE ACCEPTANCE OF RESPONSIBILITY.

Mr. James Blount,
Assistant Principal

Organizations

Student Council

Officers of Student Council are *(left to right)*: Steve Prosky, Treasurer; Kathy Allen, Secretary; John Young, President; Gary White, Vice-President.

Although it is one of the smallest organizations in the school, the Student Council is the most active.

During the summer vacation, Elana Stepanek and Francis Kullas represented Norton High School at the State Student Council Leadership Conference which was held at the University of Massachusetts at Amherst.

Following the elections and installation of officers in the fall, the Council helped to organize the annual Lion's Club Halloween Party.

Under the leadership of President John Young who also served as Vice-President of the South Eastern Massachusetts Branch of Student Councils, the Student Council played a leading role in the formation of the Attleboro, Bishop Feehan, Mansfield and North Attleboro High Schools along with Norton.

Several informal meetings have been held and Student Exchange Socials, and assembly program exchanges have been accomplished. It is hoped that in future years the Area Association of Student Councils will grow in strength and will become an instrumental force leading to a better understanding between students, schools and communities.

National Honor Society

The Norton Chapter of the National Honor Society was established in 1956 in the hope that the existence of such a society would inspire a desire for improved scholarship in the student body. Since then, ninety three girls and nineteen boys have been inducted into full membership. This year the Honor Society has been under the direction of James Azevedo, President; Cynthia Jackson, Vice-President; Nora Jennings, Secretary; Nancy Harnden, Treasurer; and Mrs. J. Findlater, advisor.

On February 18, 1966, eighty-five classmates were cited at an Honors Recognition Social for having made the Honor Roll for the first two terms. Mr. H. Yelle and Mr. George MacArthur complimented the group which contained more boys than usual. Dr. Evelyn Banning, Professional Education at Wheaton was the guest speaker. On April 6, the National Honor Society held a Homecoming Day, when graduates tell about their experiences at college. On April 15, the annual induction ceremony was held. Mr. Samuel Thomas, Superintendent of Attleboro Schools was guest speaker. Following the induction a tea was held to which parents and faculty were invited.

In September, the editors meet to decide a setup and theme for the yearbook. The editors and the photography editors work hand-in-hand to develop interesting pictures.

The Sojourn could be compared to a scrapbook of social events, classes, and athletics. The Sojourn staff includes: business staff, quotation staff, photography editors, and editorial staff.

Under the direction of Miss G. B. Kiernan, the ideas for the Sojourn become reality.

This year the club traveled to various schools presenting a One-Act Play based on Robert Frost's poem *The Death of the Hired Man*, and Shakespeare's play *Twelfth Night*.

Because a library becomes the place where students gather important information and garner the wisdom of the ages, library club members—past and present, and future—deserve praise for the tremendous service they render to the school. This year, twenty-four carefully selected students from the high school and three from the junior high find work waiting for every minute of the schedule. They learn to conduct much of the circulation business. They do preliminary filing. Sometimes a good typist is found and taught to type for the benefit of the library.

The Club meets every Wednesday before school for instruction and for planning outside club projects.

Members of the library club are *(bottom row to top, left to right)*: J. Molitor, J. Freeman, E. Stares, C. Chadwick, M. Brown, P. Allen, B. Charette, P. Tripp; *Row two*: S. Thibeault, K. The primary purpose of the Spanish Club is to instill, in the members, a greater understanding of the culture and the customs of Spain and Latin America, over and above the amount received in the classroom.

The Club is open to all Spanish I and II students.

The Latin Club is an organization which provides the opportunity to students interested in ancient times to explore those cultural and linguist aspects which are beyond the scope of usual class activity. In addition to the regular meetings at which the members see films, slides or movies, hold discussions on classical topics, engage in contests or play specially devised games, there are specific group activities of special interest held throughout the year. In the fall, all new members are auctioned at a "public slave sale" after which the tunic-clad "slaves" must serve their "masters." Their way of service culminates in an initiation which, by its rites, formally entitled the participants to full membership. At Christmas time, the Roman Saturnalia is observed. During the winter, the members travel to the Museum of Fine Arts in Boston for a guided tour of the classical galleries. In the spring, a Roman banquet is held which the members attend in togas and participate in the manner in which Romans were once accustomed.

Six years ago, Mr. Frank Montesanti came to our town bringing with him a truckload of musical instruments and a good deal of enthusiasm. From the elementary school, he chose a handful of students who were to comprise the core of his newly formed band. He trained these few and added many more and the result: one of the finest high school Concert and Dance Bands in the state. The original members are now Seniors and will be graduated this year but there will remain many others who will maintain

Playing professionally for dances, receptions and other diverse activities, this combo has been greeted enthusiastically by the student body at several assemblies. The best concert musicians are chosen to perform in the Dance Band.

The Aeolian Choir is composed of forty-five voices selected from the Concert Choir. Rehearsals are held every morning in the music room from 7:45 to 8:10. By reahearsing each day, the members are given an opportunity to acquire a larger repertoire of music than would be possible during two rehearsal periods per week.

The name Aeolian is derived from an ancient mode (key) beginning with "A". Today we refer to keys by letter, whereas in ancient Greek culture, the keys were referred to by modal names (i.e. Lydian, Phrygian, Aeolian), depending on which pitch the scale began. The Aeolian Mode, which was added later, became popular among church musicians, poets, and philosophers; thus, the Aeolian Piano Company (now a defunct subsidiary of Baldwin).

The Concert Choir is the largest vocal group. Membership is open to all and its purpose is aimed at learning and appreciating good music.

Majorettes

The Head Majorette for 1965-66 is Lydia Johnson.

For the past few years, the majorettes have participated in a growing number of activities. This year, the majorettes took part in the Spring Concert, several Pep Rallies, and parades, and they also marched with the band at Saturday afternoon Football games.

The enrollment of majorettes has increased from seven to ten, which is the largest membership since the organization was begun in 1960. Practices are held weekly during the spring and fall and occasionally during the winter. New majorettes are selected when school opens in September. The candidates are allowed approximately two weeks to practice a qualifying routine and those selected are then taught the regular routines. An election for Head Majorette is held each year.

Ski Club

The Ski Club has just completed its second year as an organization of Norton High School. The club, consisting of twenty high school students, provides training for non-skiers, and experience for students who have previously skiied.

This year the club has really established itself in the roots of the school. At the first meeting of the club, the new officers were elected and a constitution was written.

The members of the club have gone on many trips during the past year. Besides day trips to nearby ski resorts, the members spent three days in New Hampshire, skiing and enjoying planned recreation.

Funds for the trip were raised by projects undertaken by the members. In November, a very successful Car Wash was held. Handy-Man day was also held, where each member worked in private homes doing odd jobs. Probably the best project was the selling of coke at all the home basketball games. During each game, the members shared the work of selling the coke, as the profits would be equally shared.

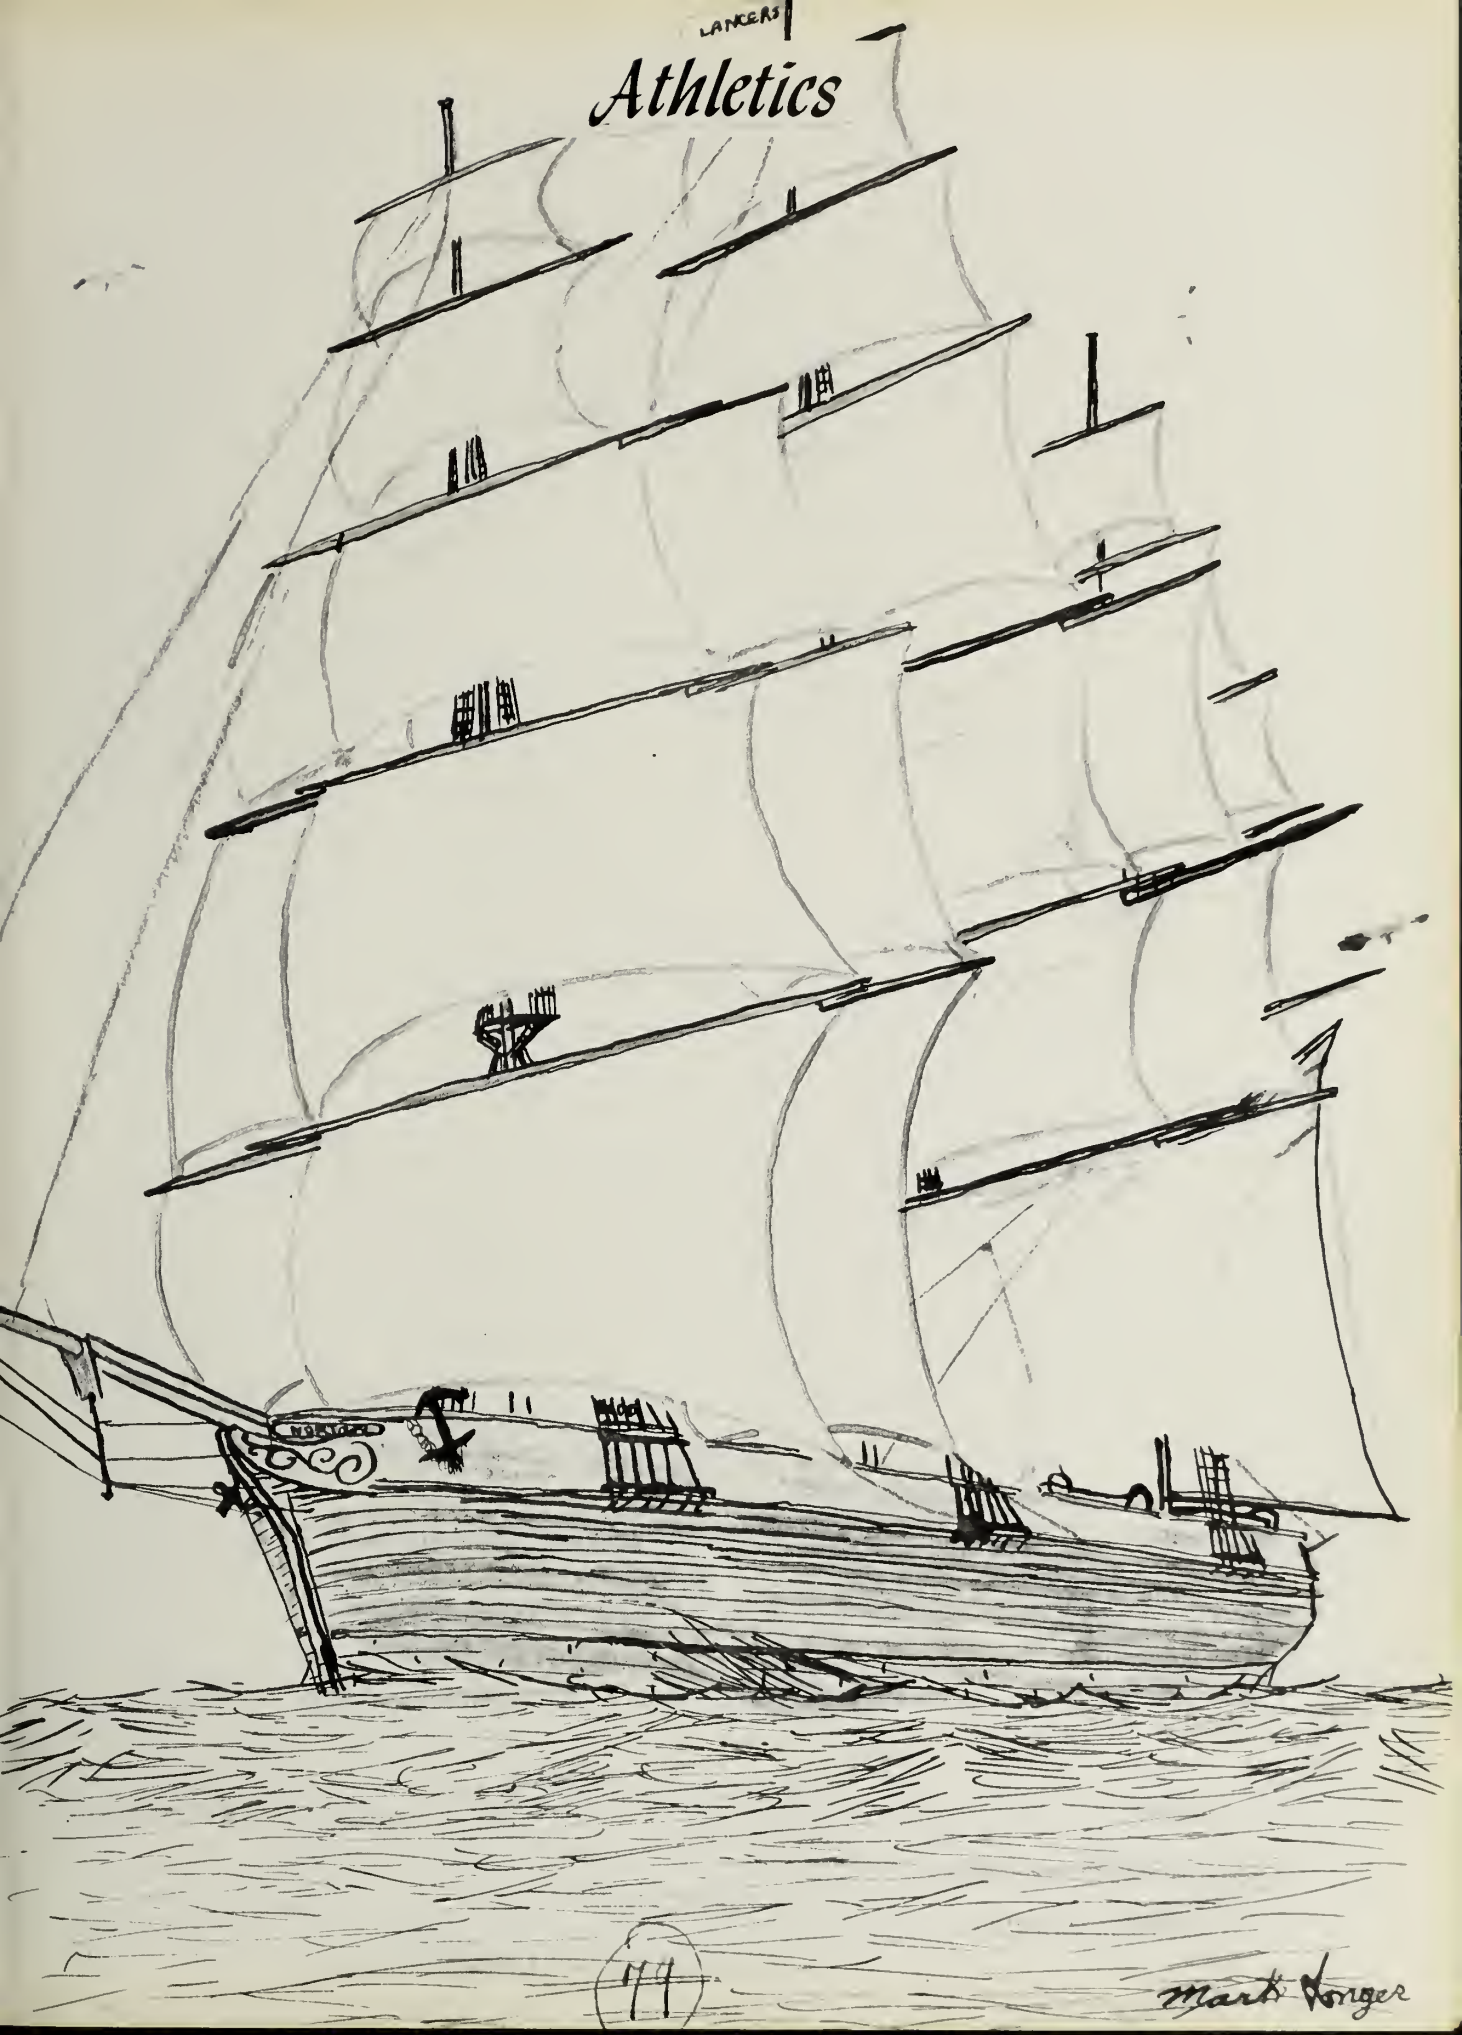
Athletics



Football

It may be a dream, but don't tell the members of the 1965 football team they won't be the Clover Valley Conference Champions in 1966. The Norton High School football team set this goal for themselves as they began the 1965 campaign. Judging from their performances they may fulfill their dream.

Blood, sweat, and tears were all part of a day's work for the members of the team. Following three grueling weeks of practice the Lancers traveled to Franklin only to find out that life is full of disappointment. Franklin proved to be a formidable opponent. Franklin scored once in the second period and led 6-0 at half-time. Norton fought back in the second half following another Franklin T.D. but were unable to score. A downtrodden team returned to Norton losing 14-0 and began preparation for the next encounter.

October 12, 1965, is a date Norton footballers will long remember. On that day Hopkinton became victim number one. The running of John Hayes and Bob Thurber and the passing of quarterback Russ Hardigan led Norton to a 30-0 victory. Defensively Larry Laroque, Dennis Peabody, and Rick Bouchard were outstanding.

The long awaited and well earned victory proved to be the spark the boys needed. The cry "we want Medfield" echoed throughout the locker room following the Hopkinton game. Hayes, Thurber, Hardigan and company handled Medfield with little difficulty. Medfield succumbed to the regenerated Lancers 30-6.

Next was Apponequet. The defensive unit, not to be outdone by the offense, stole the show in this contest. They allowed Apponequet only two first downs all afternoon and held them scoreless. Gary White, Larry Lorocque, Dennis Peabody, and Francis Kullis were the mainstays defensively. Russ Hardigan led the offensive attack. He scored the first touchdown on a quarterback sneak and threw to Bob Thurber for the second. Bouchard and Hayes scored the extra points in the 16-0 win.

The Lancers were on the move, three victories—one defeat. Bring on Feehan. During practice sessions preceding the Feehan game one could actually feel the tension mounting for the big game. A valiant Norton team battled a bigger and stronger enemy to a 0-0 half time score. In the second half, the Shamrocks scored twice and led 14-0 at the end of the third period. The Nortonites played their hearts out in the final period. John Hayes caught a Hardigan pass and Norton trailed 14-6. Time was running out. Norton again drove for the goal-line. This time, however, the Shamrocks rose to the occasion and stopped the fired up Lancers.

Defeat does not carry with it disgrace. There are valuable lessons to be gained by a team which battles to the bitter end but still loses. The true test of a team's value is measured by how they perform after a defeat. The humbled Lancers vowed they would not let down.

Seekonk received the blunt of Norton's animosity created by the Feehan loss. Throughout most of the first half the two teams fought to a stalemate. With twelve seconds remaining in the half, Hardigan lofted a long pass toward Rick Bouchard. Bouchard clutched the ball on the one yard line and dove for the "sacred land." Touchdown Norton, Peabody seized another Hardigan aerial for the conversion and an 8-0 lead. The second half was a replay of the first. In the third period, Seekonk scored, but again the defense proved competent while stopping the extra point attempt. From this point on, Gary White led the defensive charge. Time and time again, he threw Seekonk ball carriers for losses. The high point of the game came when there were 1:47 remaining. Seekonk had a first and goal to go from Norton's two yard line. On the first play, the Seekonk fullback slammed into the line. White was waiting. Results: Seekonk fumble, recovered by White. Exit White. Entrance Kerr. The offensive unit took over. Doug Kerr destroyed the Seekonk line from this point on. He led a ground attack which moved to midfield as the ball game ended.

Dighton-Rehobeth and Medfield were easy prey for the Lancers in 26-0 and 20-0 victories. In both games the offensive put on an ostentatious display of power. Jeff Sousa, Ron Goddard, and Mike Wynn threw devastating blocks to spring the backs free numerous times. Defensively Gary White led the charge but received valuable assistance from DeSilva, Petipas, Kullas, and Larocque.

Tackle Larry Petipas lived a lineman's dream during the Dighton-Rehobeth game when he recovered a lost ball in the end zone for a touchdown.

A cold, raw day almost cost Norton another defeat on the final day of the season. In a game marred by fumbles, the Lancers came from behind to beat a strong Dover-Sherborn team 10-6. Trailing 6-0 at halftime, the gridsters scored on a safety by Jeff Sousa and a T.D. by John Hayes in the second half to take a 8-6 lead. Doug Kerr drove into the "promised land" for two points following Hayes's score and the last blood of the season.

"We came! We saw! We conquered!" was a quotation heard at one of the pep rallies this year. There is no doubt the football team intends to fulfill the sentiments expressed in this adage. Whether or not they can conquer and become Clover Valley Conference Champions in 1966 remains to be seen. Rest assured, however, that they will always play their hardest while representing Norton High School and Norton's loyal fans.

Varsity

The Lancers opened the season with an 88-65 victory over Seekonk. Next came that never-to-be forgotten, sixty foot set shot by Steve Prosky as the buzzer went off in the overtime period in the game against Dighton-Rehoboth. The Lancers won that game by a narrow one point margin; the final score was 53-52. Pandemonium broke loose as the ball swished through the net. Opening their defense of the Tri-Valley Conference Championship, the Lancers dropped a tough game to Hopedale with a score of 57-56. Blackstone was an easy victory before we lost two games to Bellingham and Nipmuc. During Christmas vacation, the Lancers beat Seekonk 86-45. Then came the game with Mansfield which created a great deal of neighborhood rivalry. It was a tense game before an overflow crowd that saw the lead change hands fifteen times. There was a tie at the end of the regulation game, so Mansfield and Norton went into overtime. Steve Prosky came through with a free throw to win the game with five seconds left in the second overtime period.

Back from vacation, Norton went back to league action. The Lancers beat Norfolk, Medfield, and Medway in quick succession. Then came a big game at Holliston, the league leaders; we lost to them in the closing minutes of the game. An improved Hopkinton team routed our heroes in the next game. A full house packed the gym for the game with Dover, who was tied with Holliston for first place in the league, but the game had to be cancelled. The next game was with Millis and we won that game 62-55. Revenge was ours at Hopedale and we won a thriller by three points. Blackstone and Norfolk fell again. The Bellingham Hawks with the fabulous Glenn Garriepy invaded the Lancer's lair. Bellingham was now deadlocked with Holliston and Dover-Sherbon for first place. Bellingham proved their championship mettle as they won an over-time victory by three points; 84-81. Those that witnessed the individual duel between Steve and Glenn will never forget it. Defeat greeted us at Nipmuc 68-55. That closed out the season with a tough loss to league co-champs.

The overall record of twelve wins and eight losses showed everyone that we had had a good season for a very small team. Our main problems were lack of height and consistent rebounding. At times we had a team on the floor that included three boys who were five feet seven or less. Due to eligibility, injuries, sickness and other factors, Steve Prosky was the only player to start all the games.

Harry Bullock, a transfer from Freehan, playing his first season of basketball, surprised a lot of people as he steadily improved through the season and became our second highest scorer. John Young was becoming an outstanding ballhandler before mononucleosis struck and he was lost for the last part of the season. David Burbank played steady, aggressive ball and became a good defensive player. Dave Brown never fully recovered from his injuries which left him unable to play for a good portion of the season. Rich Trabucco became one of our best defensive players and a good outside shot. Some boys who show promise for the coming years are: Bob Thurber, Ron Goddard, Russ Hardigan, Rit Bouchard, Laurie and Bobby Adams, and Tim McEndy.

On every team there is a "star"; this year's "star" is Captain Steve Prosky. Steve finished a brilliant four year career as the high scorer for the Lancers. Steve wound up this season with 475 points for an average of 23 points per game. His three year varsity total was 1108 points scored for the Lancers. Steve has been as fine a player as ever wore the purple and white and will rank as one of the Lancer greats.

The Junior Varsity Basketball team had a highly successful season this year. Composed entirely of freshmen and sophomores, the young Lancers posted a high percentage of victories. Under the direction of Coach Nuttall, the team developed a strong defense and high-scoring offense. With the wealth of talent found on this team, look for great success for the Norton High teams of the future.

Varsity Cheerleaders

In the fall of each year, an average of thirty-five girls vie for the nine positions on the Varsity Cheerleading squad. A panel of faculty judges have the task of choosing the cheerleaders for the new year. The captain is chosen by the cheerleaders.

After try-outs the newly elected squad holds from two to five afternoon practices each week in an attempt to perfect their twenty cheers. They perform at all the football games, Junior Varsity and Varsity basketball games. They lead the spectators in supporting their team from the sidelines during the action, and at quarters and time-outs they perform routines on the basketball court.

The Freshman Basketball team, new to the school this year, promises to be one of the best varsity teams that Norton has ever had. With the experience of Junior High basketball behind them, these boys played fourteen games this year. Of those fourteen games, they won eleven and lost three. Among the opponents that they beat was Taunton High and Colye, strong teams in their own division.

Several of these boys have already played on the Varsity squad, and most of them have played on the Junior Varsity squad. One member in particular, Bobby Adams, has played as a starter on the Varsity squad this year. Several of these boys were important players on the newly formed football team. Norton High School basketball team can look forward to a bright future with these boys at the center.

Junior High Cheerleaders

The Junior High Cheerleaders are girls from the seventh and eighth grades who are chosen by a faculty committee at the beginning of the school year. Junior High School Cheerleading offers excellent preparation for the Varsity Cheerleading Squad. Six members of this year's Varsity squad were, at one time, members of the Junior High School Cheerleading Squad.

The cheerleaders cheer at all the home games of the seventh and eighth grade basketball teams. The squad is advised by Miss J. Shapiro.

Baseball

Baseball, one of the less publicized of Norton's competitive sports, has proven to be Norton's athletic stronghold. During the past three years, under the instruction of Mr. Robert Ford, the Lancers annexed three divisional and two Tri-County League crowns. Last year, the Lancers posted a 16-3 record including a thrilling 3-2 extra-inning victory over Nipmuc in the championship playoff contest.

Members of the Baseball team are *(bottom row to top, left to right):* R. Lovenbury, D. Burbank, S. Prosky, C. Bowen; *Row two:* Mr. Peter Bartek, coach, R. Trabucco, R. Bouchard, R. Thurber.

Pictured are Coach Bartek and the Co-captains for the 1966 Baseball Season Steve Prosky and Tack Burbank.

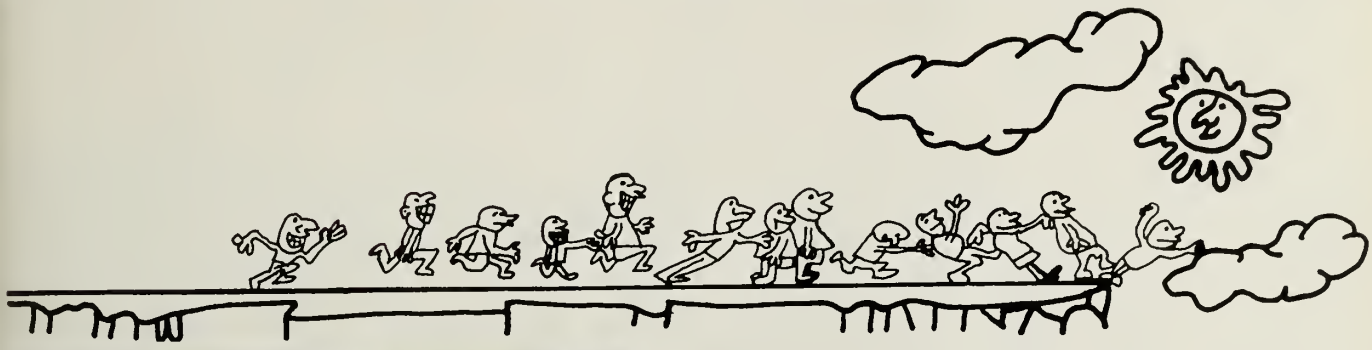
This season, in the newly formed Tri-Valley League and with first-year Coach, Mr. Peter Bartek, Norton again sets out to prove its baseball mastery. The team mainly consists of a veteran line-up with additional aid expected from a group of rookie under classmen. Steve Prosky and Tack Burbank, the Lancer co-captains and four-year men, will handle the Keystone chores at shortstop and second base respectively. The two pitching aces, Richie Trabucco and Rob Lovenbury, have returned to alternate on mound and in the outfield. Other mainstays include: Bob Thurber at third base, Rit Bouchard behind the plate and Russell Hardigan and Cliff Bowen in outfield positions. With these boys and rookies Ron Goddard, Bob Adaris, and Art Bouchard, Coach Bartek expects to build a winning unit employing speed, defense, and pitching.

Mr. George Holster will handle the junior varsity coaching position this year. The Jaycees, consisting of underclassmen, play a full schedule in preparation for the varsity level.

Track

The 1965 track season was reasonably prosperous. Out of 8 meets, the team won 5 contests. The strong points were: the 100 and 220 yard dash, with Dave Brown, John Hayes, and Doug Kerr; 440 and 880 yard run with Gus Fernandes and John Young; the mile with a young but strong runner Mike Vital and a veteran, Pat Cassidy; the high jump with John Young; and particularly the broad jump where Norton held a strong one-two-three combination featuring Dave Brown, Gus Fernandes, and John Young. The relay team also met with considerable success. Basically, the relay team consisted of: John Hayes, Doug Kerr, Jeff Souza, and John Henson.

Members of the track team for the 1966 season are *(bottom row to top, left to right)*: W. Monty, D. Brown, L. Petipas, L. Laroque, R. DaSilva, H. Bullock; *Row two:* Mr. Rowland, coach, R. Murray, S. White, J. Young, J. Henson, G. White, M. Vital. Absent when the picture was taken are: B. Melanson, J. Hayes, D. Kerr, and R. Holway.



We are looking forward to the 1966 season with much enthusiasm. With the exception of a few new faces, Norton will see the return of most of last season's team. The vantage point of our 1966 season should be that we have gained much experience from previous competition and with the new members, the team should have considerably more success than in 1965, particularly in the discus and shot put. Two new events have been added to the schedule this year which are: the two mile run and the javelin. Standouts in track this year should be: John Young who offers a triple threat in the broad jump, high jump, and 880 yard run; Mike Vital who is coming up fast as a miler; Larry Petipas who has been working hard all year with the shot put; plus many other fine Norton trackmen.

Pictured are Dave Brown, a valuable 1965 track man, and John Young, captain of last season's team.

Bowling Club

The bowling club was founded last year as an extracurricular activity. Approximately thirty members of the club leave every Monday afternoon at 2:30 for Foxboro Lanes. Here they enjoy an afternoon of bowling. The members bowl for patches and trophies. At the end of the season, the top six bowlers were taken to matches against other high school bowlers. A trip to Warwick, Rhode Island to face Bishop Hendriken keglers was realized.

Members of the Bowling Club are *(bottom row to top, left to right):* Mr. W. Precourt, advisor, A. Santos, G. Hebert, D. Young, A. Jackson, J. Gove, N. Gove; *Row two:* B. Bramwell, D. Sheaff, E. Bennett, G. Cooper, L. Jacobs, L. Marchant S. Todorsky; *Row three:* R. Petipas, R. Haines, R. Hebert, J. Precourt, C. Valentine, A. Fernandes, C. Bennett; *Row four:* F. Bottomley, S. Chadwick, L. Petipas, D. Bennion, J. Sousa.

The high school cafeteria was gaily decorated. The entire back wall was covered by a huge mural depicting a typical mountain valley with a running stream. The walls were decorated with green crepe paper. The Queen's throne was placed upon a rock garden, surrounded by shrubs. Rays of the moon came streaming down from the ceiling, over the throne. There was also a small wishing well built by the members of the Junior Class.

"Moonriver"

The Junior-Senior Prom of 1965 was held on June 5th in the Norton High School Cafeteria. The theme was "Moonriver." The highlights of the evening were the crowning of the queen and the grand march. The music was furnished by the "Skyliners."

Disc-jockey Bruce Melanson chooses the record for the next dance.

Senior Class Play

Yipper Pickford and Wilfred Marks have one of their frequent quarrels while Essie, in the background, looks on.

On Friday night, November 5, 1965, the Senior Class presented a three act play *The Walrus and the Carpenter* by Noel Langley. Weeks of preparation culminated in a big success for the Seniors.

Those who took part in the play were: Susan Turgeon as Essie Stuyvesant, Mary Charette as Bicky Stuyvesant, John Yelle as Yipper Pickford, Bruce Melanson as Grant Magill, Joanne Mallon as Gerda Marks, Mark Thomas as Sidney Drew, David Brown as Wilfred Marks, Cynthia Holbert as Pynegar, Lee Raymond as Pynegar, Lee Raymond as Roland Wayne, Jon O'Connor as Corder, and David Burbank as the policeman.

After Sidney's visit to Yipper's wife, Sidney and Essie discuss her problem household.

Yipper bends to pick Bicky up after she has fainted.

Pynegar leaves the room disgustedly while Yipper, following her, clutches his stomach as he feels his wife's labor pains.

Christmas

The Band . . . "The Runabouts"

The Senior Class is responsible for many events during the School year, one of which is the Christmas Dance. This event occurs prior to the Christmas Vacation and it is one of the most important social functions held at Norton High School.

The High School Auditorium, which was the site for the semi-formal affair, was decorated with silhouettes

"I knew she was here a minute ago."

While relaxing for a moment, Steve Prosky and Karla Gustafson discover that it's just as much fun to watch.

Students from grades seven through twelve stand for a moment before the next number begins.

of Christmas bells, Stars, and Wreaths and the stage displayed a beautifully decorated Christmas Tree.

The music was furnished by *The Runabouts.* John Yelle acted as Disc Jockey while they took a brief break from entertaining the seemingly tireless dancers.

Even at the Christmas Dance, they didn't stop watching for Santa Claus.

John Yelle announces the title of the next record.

The Freshmen are always quick to pick up the latest craze. C. Wilcox and E. D'Angelo are pictured wearing the latest in Teen-age fashion, the Granny Dress.

Time passes quickly when people are enjoying themselves. Juniors *(left to right),* B. Stentiford, J. Mulholland, S. Brown, and F. Kullas are a bit reluctant to leave after a delightful evening.

A scene of Mary with the Christ child from the Freshman class Christmas assembly.

The Freshman class presented a two part Christmas program this year. During the first portion, the poem "Night Before Christmas" was read and enacted. Patti Allen was the narrator with Ma portrayed by Pam Tripp, Pa by Vic Soldat, the children by Marilyn Kearns and Cheryl DeValk and Santa was played by Mitchell Drury. A high point was reached when Santa was lodged in the chimney.

The second part consisted of three scenes or tableaux. In the first part, the prophecies were read by Kay Jachson, Marguerite Dion, Carol Ribeiro and Nancy Beaman. The announcement to the shepherds was portrayed by Kenny Allen as Gabriel, Donna Lesperance and Donna Vital as angels and Craig Sharples, James Waz and Daniel Haskell as shepherds. In the final scene, the nativity was depicted with Carolyn Landis as Mary, William Gorczyca as Joseph and Stephen Bullock, Eric Lawson and Richard Yelle as Kings. Robert Adams was the narrator.

Christmas musical selections were presented by the Lancer Band directed by Mr. Frank Montesanti and by the Aeolian Choir directed by Miss Regina Lopes. Costuming was done by Mrs. J. Findlater. Faculty advisors are Miss E. Milot, Miss M. Coelho, Mr. T. Galvin, and Mr. A. Nuttall.

Activities of Student Government

The League of Women voters conducted an essay contest and Sandra Bennett, Marilyn Gegenheimer, and Cynthia Jackson were the winners of the contest. For winning the contest, they were given a trip to the U.N. On October 12, 1965, they went by train to Penn Station where they took a taxi to the U.N. Building. Once there, they obtained special passes to see Mrs. Lair who was in charge of their tour. During the day, they listened to a lecture on UNESCO and saw many delegates from different countries as they walked through the Delegates' lounge. While there, they listened to an Austrian and an Indian speak in the five major languages of the U.N. The three girls left the U.N. at four o'clock to window shop along Fifth Avenue. At five o'clock they boarded the train and were home several hours later.

Upon the return the three girls spoke to the eighth grade students, who would be taking the trip later. They were invited to attend a lecture by Wheaton professors on the current problems of the U.N.

Mark Thomas was Norton High School's Student Government representative. He was chosen by the P.O.D. classes on the basis of leadership, and a good school record.

Student Exchange Group

Each year the Social Studies Department selects five Seniors and one Junior for a Student Exchange Day. The junior member automatically becomes a member of next year's group. Student Exchange Day is usually scheduled on the same day as the town meeting, this year it was held on March 7. A book summarizing town activities and organizations is always presented to the visiting students. Norton High School exchanged with Gate of Heaven High School of South Boston. The students from Boston were taken on a tour of Harco Orchards in East Norton, Flint's Dairy in Mansfield, and Wheaton College. They were entertained at dinner at Land's End. The Norton group visited Boston on March 21. The members of the Norton group were: Seniors Mark Thomas, Susan Turgeon, Linda Miller, Ed Christie, Cynthia Jackson, alternate, and Junior Marcia Collins. Mr. William Rowland was the advisor.

The Music Assembly

Miss Lopes is shown giving last minute instructions to several members of the choir.

The annual Music Assembly was presented in the Auditorium on November 12, 1965. The High School Band, Dance Band, and Choir combined their talents and presented a very enjoyable assembly.

The Assembly begins with the singing of the Norton High School Choir.

The High School Band, under the leadership of Mr. Frank Montesanti, contributes its share to the impressive Music Assembly.

David Brown plays the trumpet to his homeroom teacher, while the other members of the band accompany him.

Lancer Bowl

The Senior Class presented the Fourth Annual Lancer Bowl during American Education Week. The Purple team, consisting of Juniors and Sophomores, took top honors.

Mr. V. Bissonette was the moderator and the Department Chairman, Miss G. B. Kiernan (English), Mr. A. Nuttall, (Social Studies), Mr. C. Reade (Science), and Mr. F. Kelley (Mathematics) were the members of the Panel of Judges.

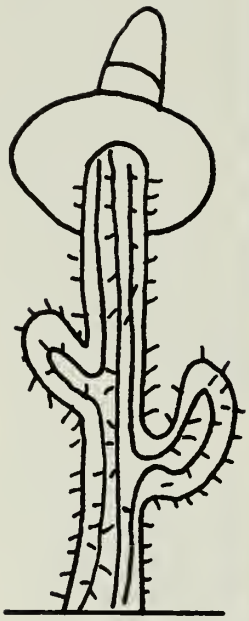
Our Friend From Mexico



Helena Contreras taking picture while Mary LaCombe looks on.

In the month of February, Norton High School students were honored by the presence of a Southern visitor. The intruder was Helena Contreras who remained an intruder for only a moment. Spending her summer vacation in the United States in order to learn the English language, Helena had travelled from her home in Mexico City to Plainville where she lived with a family of friends. Soon, however, Helena's American home was Norton and its teenagers adopted her. During her stay in Norton, she studied English in school and also frequented our dances and basketball games. She was an avid sports fan. When the time finally came for Helena's departure, there was a grand going-away party for our Spanish friend; and many tears at the airport. Even though she is living three thousand miles away, we still think of her as one of us.
